ABOUT US

From a humble beginning as contractors in 2005, we have gradually evolved & expanded to become Al Arjowan Construction Co W.L.L. Our track record is strong and we closely collaborate with the region's leading consulting firms & clients. we have constructed commercial / residential buildings, luxury villas and industrial facilities.

We are dedicated to providing trustworthy services to our clients. Our team is qualified and have experience more than 20 years in Bahrain. We believe that, our sole source of growth is our satisfied consumers. We have demonstrated that we are capable of meeting our costumer's expectations in terms of timely completion & quality of work.

OUR MISSION

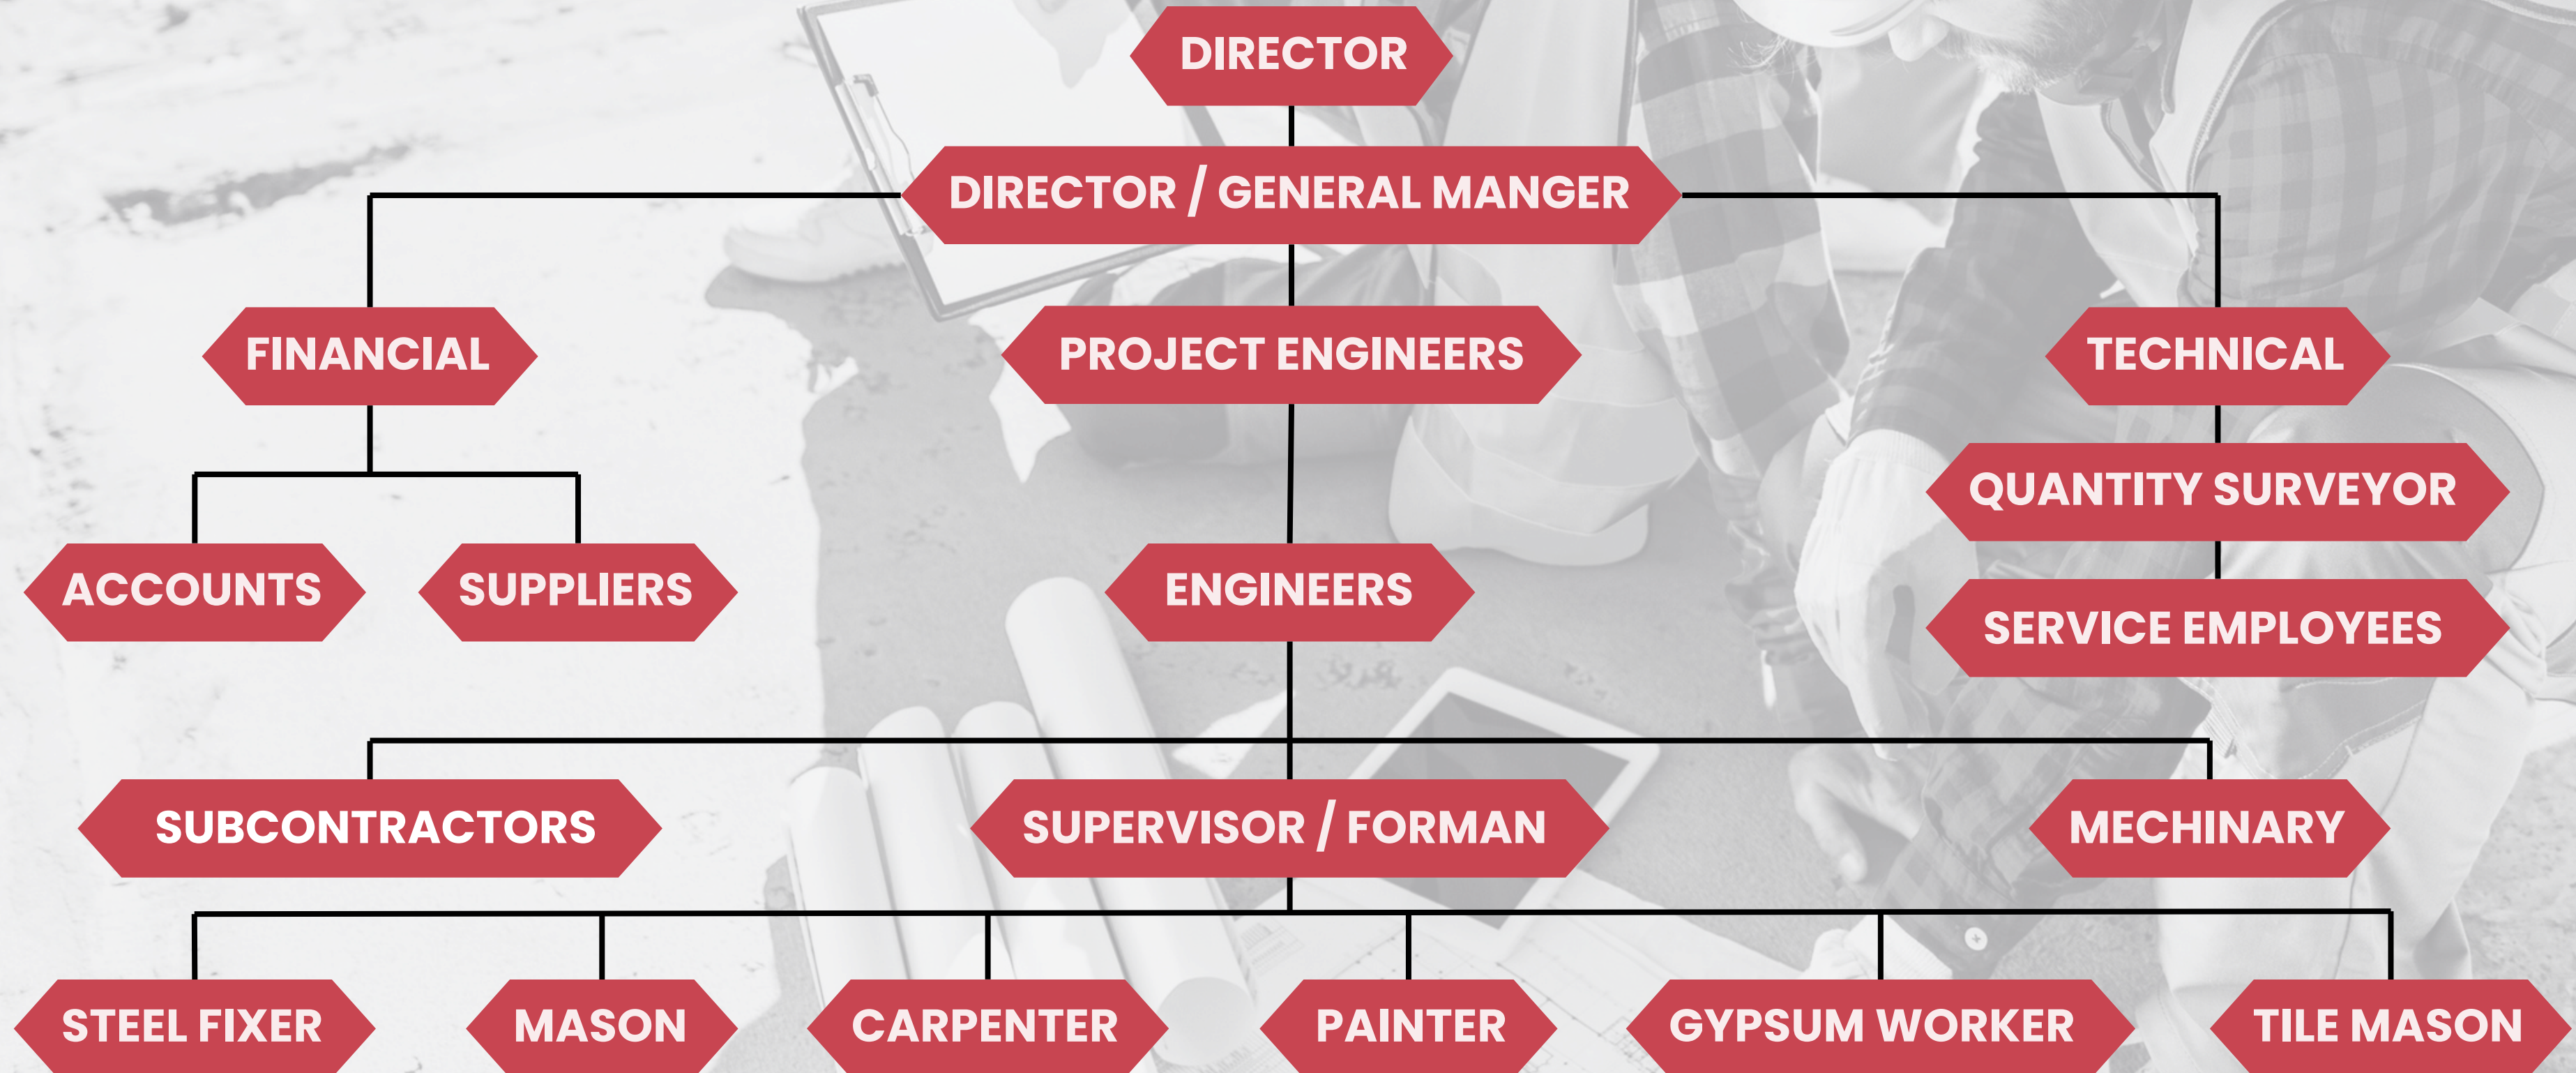

We Al Arjowan Construction Co. W.L.L, are constantly striving for improvement and development in our field, as well as to achieve customer's satisfaction, by providing the essential engineering and construction services at various stages of construction. Our mission is to consistently improve & perform well through qualitative and time-bound processes, overcoming industry challenges and achieving exceptional levels of service excellence & customer's satisfaction.

OUR VISION

We trust to become one of the leading companies in Kingdom of Bahrain, through a specialized, knowledgeable and experienced team. We are committed to provide good quality of work that perfectly matches our client requirements in all aspects of construction. Including buildings, maintenance of buildings, high-rise apartments, luxury villas, warehouses, showrooms, and renovation of existing structures.
